## Help Them Shine Inside and Out.

Every tail wag starts with good health. That's why we include Zinpro® ProPath® Zinc, proven to support a strong skin barrier, glossy coat and a resilient immune system. It's more than a treat, it's daily care in every crunch.

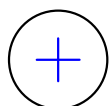

## Keep Them Moving Like They Mean it.

Whether it's chasing a ball or climbing the couch, mobility matters. Zinpro® ProPath® Manganese helps build and maintain healthy cartilage and connective tissue, so your dog can stay active, agile and ready for whatever the day brings.
